YMCA offering Pee Wee program

TRAVERSE CITY -- The Grand Traverse Bay YMCA will continue its Pee Wee Sport program by offering children 3-7 years old the opportunity to experience the basic skills of a variety of sports.

Sports offered include soccer, floor hockey, lacrosse, basketball, T-ball, bowling and golf.

The YMCA Child Care Center, which opened in February, provides a 9,600 square foot facility built to care for infants to pre-schoolers. The Center has a gymnasium that will be the setting for the Pee Wee sports program.

The first session of classes will begin the week of Jan. 4. Classes meet once per week for six weeks. Each class is limited to 12 kids for individual teaching.

The cost is \$35 per class for the public and \$15 for YMCA members. Registration deadline for the January/February session is Dec. 30.
